CORE COMPETENCIES

- XR Program Management
- Multimedia Production
- Team Leadership & Mentoring
- Cross-functional Collaboration
- Project Planning & Delivery
- Resource & Capacity Planning
- Vendor Management
- Budget Management
- Digital Learning & Instructional Design
- AR / VR / MR
- Meta Quest & Unity Ecosystem
- Storyboarding & Scripting
- Multimedia Workflow Optimization
- Quality Assurance & Testing
- Stakeholder Management
- AI-assisted Content Creation
- Risk Management
- Agile Methodologies

KEY HIGHLIGHTS

11+ Years of Experience in XR, Digital Learning & Multimedia Production

50+ Enterprise XR & Digital Learning Projects Delivered

25+ Enterprise Clients Across India & GCC

₹4.5+ Crores Enterprise Business Delivered Across Tenure

TECHNICAL SKILLS

Development & Platforms
Unity | Meta Quest | Unreal (Basics)
WebXR | SteamVR

Design & Production Tools
Adobe Creative Suite (Ps, Ai, Pr, Ae)
Blender | Figma | FigJam

Project & Collaboration Tools
Microsoft Project | Jira | Trello
Miro | Confluence | Slack

Learning & Authoring Tools
Articulate 360 | Vyond | Camtasia
LMS Platforms (Moodle, SCORM)

AI & Productivity Tools
ChatGPT | Midjourney | Runway
Notion AI | Microsoft Copilot

PROFESSIONAL SUMMARY

XR and Digital Learning professional with 11+ years of experience leading end-to-end immersive technology programs and multimedia production for enterprise customers. Proven expertise in AR/VR/MR solutions, digital learning, and multimedia content development across Manufacturing, Automotive, Energy, BFSI, Government, and Education sectors. Skilled in managing cross-functional teams, production workflows, budgets, vendor relationships, and stakeholder expectations to deliver high-quality, scalable XR learning experiences that drive measurable impact.

ENTERPRISE FOCUS
Serving Manufacturing, Automotive, Energy, BFSI, Government, Education & more

CROSS-FUNCTIONAL LEADER
Direct collaboration with SMEs, Engineers, Designers, Developers & Clients

XR & MULTIMEDIA EXPERTISE
Concept to Deployment of AR/VR/MR, Simulations, Digital Twins & More

RESULTS DRIVEN
On-time Delivery, Quality, Stakeholder Satisfaction & Business Impact

PROFESSIONAL EXPERIENCE

TÜV SÜD South Asia Private Limited
Mar 2026 – Present

Senior Manager – Digital Learning

- Lead enterprise Digital Learning and XR initiatives from concept to deployment across multiple industry verticals.
- Manage multimedia production activities including instructional design, storyboarding, 3D/VR content, interactive simulations, and video production.
- Coordinate cross-functional teams of instructional designers, Unity developers, 3D artists, SMEs, and QA engineers to ensure high-quality deliverables.
- Own project planning, resource allocation, milestone tracking, risk management, and delivery governance.
- Collaborate with stakeholders at all levels to align learning solutions with business objectives and KPIs.
- Drive implementation of AI-enabled content creation workflows to enhance production efficiency.

Key Achievements

- Generated **₹77+ Lakhs** in confirmed business within the first three months through enterprise engagements.
- Delivered Digital Learning and enterprise media solutions for **Hyundai Mobis, Eaton, Sotefin Bharat, Prism Surface & Coating**, and other leading organizations.
- Built long-term relationships resulting in repeat business and account growth.

Novac Technology Solutions Private Limited
May 2023 – Feb 2026

Manager – Enterprise XR Solutions

- Managed end-to-end delivery of enterprise XR projects including VR Training, AR Applications, Digital Twins, Simulations, and Experience Centres.
- Led cross-functional teams including Unity developers, 3D artists, UI/UX designers, QA engineers, and SMEs.
- Managed production planning, project timelines, stakeholder reviews, change management, and risk mitigation.
- Conducted solution workshops, storyboard reviews, and customer demonstrations.
- Ensured adherence to quality standards, performance optimization, and successful deployment.

Key Achievements

- Delivered **30+** enterprise XR & Digital Learning projects across India and GCC.
- Generated **₹4.5+ Crores** in enterprise business over the tenure.
- Promoted from Deputy Manager to Manager based on consistent performance and leadership.
